Professional Summary

Aspiring Full-Stack Developer with hands-on experience building responsive web applications using the MERN stack (MongoDB, Express.js, React, Node.js). Strong foundation in both frontend and backend development, RESTful APIs, and responsive UI design. Transitioning into tech with 5+ years of experience in production management, strategic planning, and cross-functional team leadership. Passionate about developing practical, user-focused software and continually expanding my skills in modern web technologies.

Projects

1. Blog Application

A full-stack blog platform with user authentication, post creation, profile editing, image upload, and dark mode support.

- **Tech Stack:** React, TailwindCSS, Firebase, Node.js, Express.js, MongoDB

2. Developer Portfolio with Contact Form (In Progress)

A personal portfolio site with contact form integration and protected admin dashboard to manage submissions.

- **Frontend:** React, TailwindCSS
 - **Backend:** Node.js, Express.js, MongoDB
-

Technical Skills

- **Frontend:** React.js, TailwindCSS, Flowbite UI, Bootstrap, Material UI
 - **Backend:** Node.js, Express.js
 - **Database:** MongoDB
 - **Others:** Git, GitHub, Firebase, Postman, REST APIs, VS Code
 - **Additional Tools:** Microsoft Office (Word, Excel, PowerPoint, Outlook), ERP Systems, AutoCAD
-

Work Experience

Production Manager – Injection Molding

Ace Rico Poland Sp.z o.o, Poland - Feb 2020 – Present

- Led strategic planning and execution to streamline operations, enhance efficiency, and improve profitability.

- Managed manpower, equipment, and materials to meet production targets and customer deadlines effectively.
- Oversaw procurement and material planning based on in-depth production analysis.
- Implemented strict quality control measures to ensure product consistency and regulatory compliance.
- Supervised and developed a team of 60+ staff through onboarding, training, and performance reviews.
- Coordinated with cross-functional teams to ensure smooth workflow and integration across departments.
- Analyzed production reports and provided actionable insights for continuous improvement to senior leadership.

Assistant Manager – Injection Molding

Ace Rico Poland Sp.z o.o, Poland - Dec 2019 – Jan 2020

- Developed a strategic material procurement plan aligned with evolving production demands.
- Monitored daily operations and resolved emerging production challenges in real time.

Construction Engineer

JK Construction, India - May 2018 – Oct 2019

- Designed and supervised residential building projects, ensuring high-quality execution and compliance with engineering specifications.
- Estimated material requirements and managed procurement to support uninterrupted construction workflows.
- Conducted regular site inspections to track project progress and ensure adherence to structural and safety standards.
